Re: Purdue Research Foundation v. Google LLC  
Case Number: [22-cv-03870-AGT](#)

Dear Counsel:

This matter has been randomly assigned to United States Magistrate Judge Alex G. Tse for all purposes including trial.

The magistrate judges of this district have been designated to conduct any and all proceedings in a civil case including a jury or nonjury trial and to order the entry of a final judgment, upon the consent of all parties.

A review of our records discloses that the Consent or Declination to Magistrate Judge Jurisdiction has not been filed in this case. All parties are requested to complete the attached form documenting either consent or declination and file it with the Court by **July 15, 2022**. This form can be found on the Court's website at [cand.uscourts.gov/civilforms](https://cand.uscourts.gov/civilforms).

Please note that any party is free to withhold consent to proceed before a magistrate judge without adverse substantive consequences.
